

Flora Blossom

Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! I am your Tooth Fairy, Flora Blossom. I can see that your tooth has been well cared for, and I promise I will treasure it and keep it safe.

As a thank you for your precious gift, I sprinkled my 'Wonder Blooms' magic over your pillow while you slept. Did you know that wherever you are, there's always a little spark of beauty waiting to be found? Think of it as life's hidden treasure:

Next time you're on a long journey, or stuck in a waiting room, look for small details that others might miss. Maybe something pretty or unusual, or even something funny!

Are you surrounded by people you don't know well? Lucky you! Now you can make new friends, and learn so much from them.

There are so many ways to find extra joy in life. The magic I've shared helps you to keep your heart open, and always stay curious. From now on, you'll start to notice hidden wonders everywhere you go - have fun!

With love,

Flora Blossom
